Dwie drogi

Songs of Maria Koterbska in a new interpretation

Inspired by the richness of Polish popular song of the 1950s and 1960s, the artists present a fresh interpretation of celebrated songs from Maria Koterbska's repertoire.

The timeless repertoire and intergenerational hits appeal to a wide audience. The programme works equally well in an intimate hall, at an outdoor or mass event, and at a corporate function. It presents the Grand Dame of Polish song while preserving the elegance of the originals and giving them a fresh sound.

Band

- Iwona Loranc - vocal
- Piotr Kominek - keyboards
- Marcin Żupański - saxophone and flute
