Tricolor

Iwona Loranc, Jan Stachura, Krzysztof Maciejowski

Tricolor was formed in Bielsko-Biała in 1998. The group made its debut in 2001 and a year later won major festivals devoted to poetic and theatrical song, including the 38th Student Song Festival.

After several years of concerts and the release of the album Tricolor, the artists pursued individual careers. The idea of the group never disappeared, however: two decades after their first major successes, the friends met on stage again.

The group

Iwona Loranc	singer and actress; Grand Prix PPA Wrocław
Jan Stachura	guitarist and teacher; classical music, blues, jazz and flamenco
Krzysztof Maciejowski	violinist, arranger and theatre/film composer; Złota Maską 2018, IKAR

Tricolor concerts invite the audience into the world of poetic song. Experience, a programme created with care and the natural joy of playing together produce a concert that is professional, relaxed and close to its listeners.
